All requests will be considered and a schedule shall be made available at the start of Muharram. Once the moon has been sighted, please contact the appropriate persons on the contact list for additional requests or sponsorship. However, once the schedule has been finalized, please do not request any additions as there will be no exceptions.*
3. *Please observe Hijab.*

In addition, there will be volunteers to maintain discipline in the Prayer Hall, especially when people are praying or once the programs begin. Please cooperate with their requests.*

10. *Dispose all trash in proper receptacles.*
